Rehabilitation Committee
April 23, 2018

Members present: Tara Arthur and Jonathan Bibb

Visitors present: Janet Edgar, Neil Golden, Alan Phillips, Laura Robertson and Cindy White-Hamilton

Board Staff present: Margaret Dearmon, David Moore and Ravonna Nichols

Mr. Bibb called the meeting to order at 10:05 a.m.

Bibb stated that the meeting today was to discuss the ADA Compliance Review of the Workforce Centers. Bibb said that we had a team of physical therapist to go out and do ADA assessments of the workforce centers. The team does the ADA assessments for ACTI. Bibb went over the ADA Assessment Summaries that Nichols compiled for each of the workforce centers. The items that were out of compliance were reviewed. Nichols and Phillips talked about what they found and discussion followed. Bibb said it is this committee's obligation to bring the non-compliance to the Board's attention. Bibb stated that we can't just sit on this and not give folks the opportunity to address it. He said it will make some folks irritated. Bibb stated that this would give the folks an opportunity to start looking for funding to help get them into compliance. **Arthur motioned, seconded by Bibb to make recommendation for the Board to send documentation to the lease holders and to the owner of the building with summary of what will be required to make the changes necessary to be compliant. They should send a plan of action within three months from the date of the letter they receive from the board. Motion carried.**

Arthur motioned, seconded by Bibb to adjourn. Motion carried.
