

Meeting Date 8/7/2025

Re: West Central One Stop Operator Procurement

Tammy Predmore led a Teams call and explained to everyone the RFP process and that she was there to assist when needed. Tammy informed the committee that she would assist in writing the RFP and would set up the advertisement in the newspaper. Cindy, the committee chair would be the primary contact for all inquiries. Tammy informed the committee that another meeting would be held after bids were received. There is no scheduled meeting at this time.
