

# WCAPDD

## Brownfield Assessment Grant

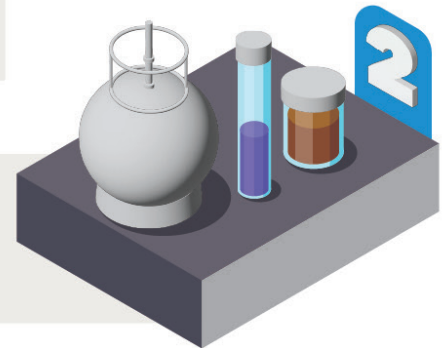

Through this grant the District will be able to perform steps 1, 2 & 3 in the City of Hot Springs Central Business Corridor.

### EPA Brownfields Assessment Grant

#### Phase I Site Assessments

Gather information on the property's previous and current use. Perform a visual inspection to identify any possible contamination or concerns to the local environment.

### EPA Brownfields Assessment Grant

#### Phase II Site Assessments

Obtain samples from the property to determine if there is contamination and to what degree.

### EPA Brownfields Assessment Grant

#### Site Investigations

A deeper dive into the data gathered from the Phase II ESA to help determine next steps.

### EPA Brownfields Cleanup Grant

#### Site Remediation

Removal of the contamination at the property ensuring the proposed reuse is suitable for human health.

### EPA Brownfields Cleanup Grant

#### Redevelopment

Revitalization of the property for a new reuse that benefits the community.
